

CROSS -CONFERENCE SURVEY REGARDING MINIMUM GPA FOR COMPETITION

CONFERENCE	Require GPA higher than NCAA Minimum
America East	NO
Atlantic 10	NO
Big East	NO
Big Ten	<p>Ten requires term-by-term GPA certification: Require minimum 1.65 during freshman year (based only on work taken during the regular academic year (i.e., excluding summer)) Minimum 1.8 at start of and during sophomore year Minimum 1.9 at start of and during junior year Minimum 2.0 at start of and during senior and fifth year</p> <p>Incompletes must count as "F's" in the GPA calculation until completed; transfer student-athletes must meet the minimum GPA requirement based on all coursework that would have been transferable, regardless of grade earned (i.e., same as NCAA 2-4 transfer GPA rule); student-athletes must meet all institutional, Conference and NCAA academic requirements (e.g., GPA, credit hour) by the first day of the term in order to be eligible for competition and athletics aid.</p>
Big Sky	<p style="text-align: center;">The Big Sky requires the following: 1.6 by beginning of second term (semester or quarter) 2.0 by beginning of second year (third semester or fifth quarter) and thereafter</p> <p style="text-align: center;">*However, there is a move afoot to remove this and just use the NCAA and institutional requirements</p>
Big West	NO
