Minutes were unanimously approved.

4. CCACA Advisory Group

D'Antonio informed the group that the CCACA advisory call schedule has now been set for the future. On the last call, the group discussed the NCAA camp directive and voiced concerns that it is not being followed by most institutions. Nike and other organizations are calling these camps instructional and skirting around the rule. Brad Hostetter, NCAA, indicated that the staff is having conversations with Nike and others about a few issues and this topic will certainly be included. The NCAA staff will follow up with the CCACA. D'Antonio informed the group that the BIG EAST Conference will be sponsoring legislation in the upcoming cycle to prohibit all non-institutional camps from occurring on institutions' campuses.

D'Antonio indicated that the advisory group also talked about the concerns with Bylaw 13.1.7.2.2 associated with Proposal 2005-93. The language "or a nonscholastic event during the April contact period" was removed from the legislation. There are concerns that this revision will cause confusion amongst the membership. The advisory group offered the suggestion of revising the language to read "all communication...is prohibited during the time period in which the prospective student-athlete is participating in a nonscholastic event" This change in wording covers both the summer events and April events and removes the confusion. Hostetter indicated that he would take the concerns back to the staff and will follow up with the CCACA.

Lastly, D'Antonio indicated that the group also expressed the membership's concern with a need for clarification on Proposal 2009-42. Hostetter responded that an educational column is forthcoming and will be issued following the second NCAA regional rules seminar.

5. 2011 CCACA In-Person Meeting

D'Antonio updated the group with logistical information associated with the 2011 CCACA in-person meeting. The meeting will be a 2 day block during the week of January 24th. Given the hotel's limited availability, it is likely the meeting will take place on Monday the 24th and Tuesday the 25th. Similar to last year, individuals may arrive the morning of the first day and depart on the afternoon of the second day.

Monday, January 24, 2011- meetings 1pm to approx. 5:30pm with a reception/social event that evening

Tuesday, January 25, 2011- meetings 8am to noon- depart that afternoon

There was no objection to D'Antonio moving forward with the plans and signing a contract with the hotel.

6. Nomination/Election of CCACA Chair/Co-Chair for 2010-11

D'Antonio reminded the group that because this is the final conference call for the academic year, a chair and co-chair must be elected for the next academic year. D'Antonio and Jennifer Condaras, BIG EAST, were nominated and elected to be chair and co-chair, respectively, for the 2010-11 academic year.

7. Additional Items

Greg Sankey, SEC, informed the group of a few agenda items for the next CCA meeting taking place later this month. The items are:
